

**Parental Involvement Budget Survey
Hawthorne Elementary School
Clayton County School District
September 15, 2017**

Dear Parents,

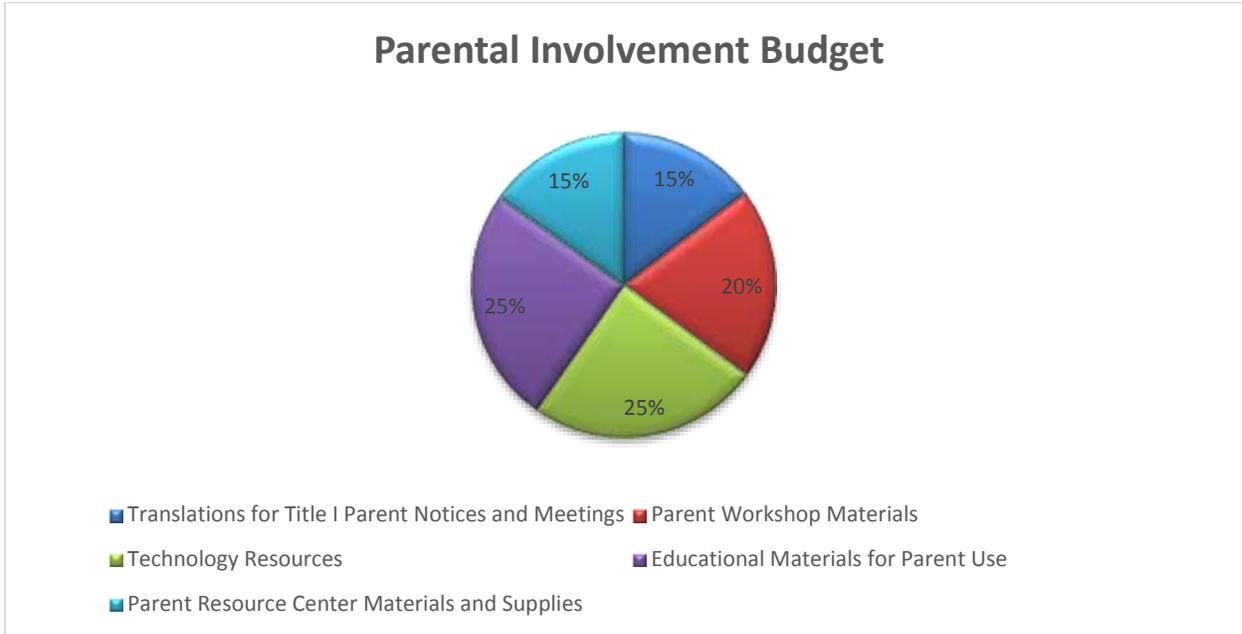

We value your input! As a parent of a child who receives Title I services in our school, you have the right to give input about how the school district budgets and spends its Title I Parental Involvement money. Over the last few weeks, our school held various meetings with parents to revise our school's parental involvement policy for next school year. We hope you had the chance to participate in one of these meetings. In the meetings, we discussed the following:

1. Parents stated that wanted resources on using technology.
2. Parents asked for more resources on how to help their child at home.
3. Parents would like to have a workshop on helping their child with math.
4. Parents asked for workshop, materials and resources for parent use.

Last year, we spent the money this way:

We have \$3,700.00 in the Title I Parental Involvement budget. This year Hawthorne Elementary School would like to spend the Title I Parental Involvement Budget this way:

Do you agree with how we have budgeted parental involvement funds for this school year?

Yes

No

If no, why not? _____

Do you have any other suggestions for the use of funds? These will be taken into consideration for this school year and future school years.
