## What is a School-Parent Compact?

A School-Parent Compact for Achievement is a written agreement (*plan of action*) that is jointly developed to help students achieve in school. It explains how parents and teachers will work together to ensure all of our students succeed standards.

### Jointly Developed

The parents, students and staff of Hawthorne Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the Compact.
