SCHOOL STATUS PARENT NOTIFICATION

August 21, 2017

Dear Parent(s)/Guardian(s):

In December 2015, the *Every Student Succeeds Act* (ESSA), the replacement for the *Elementary and Secondary Education Act* (commonly known as *No Child Left Behind*) was signed into law. In an effort to ensure parents of student who attend Title I schools are notified on how well their school is preparing its students for college and/or a career, our district mandates all schools inform parents of their College and Career Ready Performance Index (CCRPI score). The comprehensive report card for all schools in Georgia, provides a score between 0 - 100 for each school-measuring how well the school is doing in preparing its students to be successful in college and/or a career.

Our school's CCRPI score for the 2016-2017 school year have not been released. Data for the school's calculation are being processed and will be available soon. Hawthorne's 2016 score was 61.1. If you would like more information please visit <http://ccrpi.gadoe.org/2016/>

I am very proud to tell you that Hawthorne Elementary School is a Title I school that is continuing to provide a quality education to all of our students.

Although our students continue to exhibit growth in English/language Arts and Math, the areas of Social Studies, and Science still continue to be focus subjects for our school. We will continue to implement strategies to meet the academic goals.

At Hawthorne Elementary School, we take pride in the teaching we provide for our children. Our teachers and staff members work very hard to meet the needs of all students to ensure they achieve at their highest potential.

An important part of Hawthorne's success is parent participation and support in developing activities to improve student achievement. We hope that you will become engaged in our school improvement work as we continue to monitor student achievement and set high expectations. If you are interested in participating in the development of our school improvement plans, being a part of our family engagement team, or have questions about how you can better help your child in school, please contact Dr. Cynthia A. James, Principal at 770-472-7669 or cynthia.james@clayton.k12.ga.us

Thank you for all that you do to support your child's education.

Sincerely,

Dr. Cynthia A. James
Principal
